

CP³P Execution

Become a Certified Public-Private Partnership (PPP) Professional

Achieve enough understanding of how to apply the structuring and drafting Process of PPP tender documents and the PPP contract, the tendering and awarding of PPP contracts, and the management of PPP contracts during the Construction and Operations Phases.

Pre-Requisites

It is mandatory to first successfully complete stage 1 (Foundation) of the APMG PPP Certification program.

This event covers stage 3 (Execution) of the APMG PPP Certification Program.

The CP³P credential is awarded on successful completion of all 3 exams

Event Duration

This course is delivered in class by an APMG-International accredited Trainer and is conducted over 5 intensive days.

Registration for this event must be completed 4 weeks prior to the course start date. Delegates are required to complete 30 hours pre-course studies as part of preparation for the exams

- **The Execution exam is on day 5 of the course.**

Course Inclusions

We provide the following as part of our course packs:

- Course Material
- APMG paper-based Execution exam
- Lunch and refreshments during course
- E-certificate and digital badge if successful
- 5 days training with an APMG-International Accredited Trainer

Exam Info

The purpose of the Execution certification is to confirm whether the candidate has achieved enough understanding of how to apply the structuring and drafting Process of PPP tender documents and the PPP contract, the tendering and awarding of PPP contracts, and the management of PPP contracts during the Construction and Operations Phases.

Target Audience

Individuals who are involved in the structuring and tendering of PPP projects, and the management of PPP contracts, mostly public sector officials and practitioners and their advisors and consultants. Private sector (private industry i.e. developers, contractors, investors and financiers) who have an interest to better understand:

- The PPP concept as a procurement method
- Government tender processes
- Structuring of the PPP contract
- Management of a PPP contract
- Government's perspective of the construction and operations phases

Exam Format

The Execution exam is based on chapters 5 to 8 of the PPP Certification Guide. The exam is based on a fictional scenario, is 2½ hours in duration, and has 4 main questions each worth 20 marks and the pass mark is 40 out of a possible 80 marks. Candidates will be permitted to refer to the PPP Certification Guide during the Execution examination.

Benefits

- Offer relevant insight into the interactions between the Appraisal Phase and the Structuring and Drafting Phase, and propose and evaluate the need for refinement of previous analysis during the Structuring Phase;
- Help others understand the structuring concept and the importance of allowing enough time to design the project contract;
- Recognise approaches to financial structuring from the public perspective, help to define public financial support mechanisms that can be implemented without compromising Value for Money (VfM);
- Support risk structuring and risk allocation, and identify appropriate approaches to allocate risks;
- Support the detailed design of a Tender Process that is consistent with the applicable framework and drives value for money outcomes.
